Prowler

The Webkinz were waiting for another new friend to come through their front door. "I hope we get another cat in our little group." said Hugo.

>"Well, we'll just have to find out for ourselves." said Jessica. Suddenly, the door knocked.
"I'll go get it." said Lulu as she went over to the door. There stood a leopard.

>"Are you Lulu, the leader of this household?" asked the leopard.
"I am. You must be Prowler." said Lulu.

>"Yes, that's right. Can I come in and see the house?" asked Prowler.
"Absolutely. While you're at it, you can introduce yourself to the rest of the gang." said Lulu. Prowler came in the house and saw the rest of the Webkinz.

>"Hi." they all said.
"Hello. I am Prowler." said Prowler.

>"Nice to meet you." said Tabby.<p>
